

Hillcrest Community Cooperative Member Interest Questionnaire

In order to fully understand the resources that exist within our community members, it is important that we know what you like to do. We prefer people volunteer to help, but sometimes the Board of Directors will ask for assistance. They prefer to ask a person to help out in ways that they know he/she would enjoy.

- a. Do you like working with your hands? If so, how? (i.e. gardening, building things, etc.)
- b. If you were asked to participate in the Cooperative, what would you **want** to do?
- c. What days and/or times work best for you?

Please check all interests that you feel comfortable doing (or are willing to learn):

There are many ways for members to have a voice in the community. One great way to get to know your neighbors, as well as to have a say in how things are run, is to join a committee.

Please check the committee below which you feel best serves your interests and talents:

- Membership Committee
- Finance Committee
- Social Committee
- Community Rules Enforcement
- Maintenance Committee
- Ad-hoc committees, as needed

Thank you for completing this questionnaire. A member of the community will be contacting you shortly about your volunteer interests.
